

PRODUCT INFO

# DOMETIC OCEANAIR SKYSOL PRECISION

Skysol Precision is a simple pleated blind that can be fitted to a doorway – it simply lifts up with a touch of the hand, and pulls effortlessly back down again. This ease of use makes it a practical solution for a frequently used aperture.

# PLEATED BLIND FOR LARGE WINDOWS AND AFT PATIO DOORS

With its easy to use operation, Dometic Oceanair Skysol Precision is ideal for use on doors, where quick and convenient access in and out is needed. Simple to lift and position at any height, Skysol Precision is lightweight and will help to shade the interior during sunny days. Not only does this remove glare from the sun, it also helps to maintain a comfortable on-board temperature on the hottest of days.

## BENEFITS WITH SKYSOL PRECISION

- Magnet hold prevents rattling noises
- Sleek and compact when stowed
- Lightweight makes it effortless to use
- A choice of privacy or honeycomb fabrics
- Perfectly suited to aft patio doors, including child safe design
- Deploy and hold at any height
